25	26	27	28	29	30	31

Training Day
9-11 AM

WHERE: Clarksville Community Center

2311 Sam Gwin Drive
Clarksville, IN 47129

WHEN: Tuesday, January 27th

TIME: 9 – 11 AM

WHO: Department Heads, Foremen, and Safety Directors

Ask your Municipal Stormwater Coordinator if you need to attend this training event.

- Town of Clarksville – Tom Clevidence (283-8233)
- City of New Albany – Joseph Ham (945-1989)
- City of Jeffersonville – Bryan Wallace (285-6476)
- Oak Park Conservancy District – Keith Ingram or Christina Adkins (283-3960)
- Town of Sellersburg – Ken Alexander (246-3821)
- City of Madison – Brian Jackson (265-8326)
- Town of Georgetown – Richard Stiles (951-3800)
- Floyd County – Chris Moore (949-5446)
- Floyd County SWCD – Kevin Feder (945-9936)
- Clark County SWCD – Tami Kruer (256-2330)

In the event of inclement weather, training will be held on Tuesday, Feb. 3rd.

Training Goals:

This training event is designed to Train-the-Trainer: Department Heads, Foremen, and Safety Directors. You'll then be responsible for taking the information back to your crews and employees.

You'll learn ways to minimize pollution entering local waterways as a result of municipal activities, such as salt storage, vehicle fueling and maintenance, and spill response procedures.
